TECHNICAL SPECIFICATIONS

55,000 LB

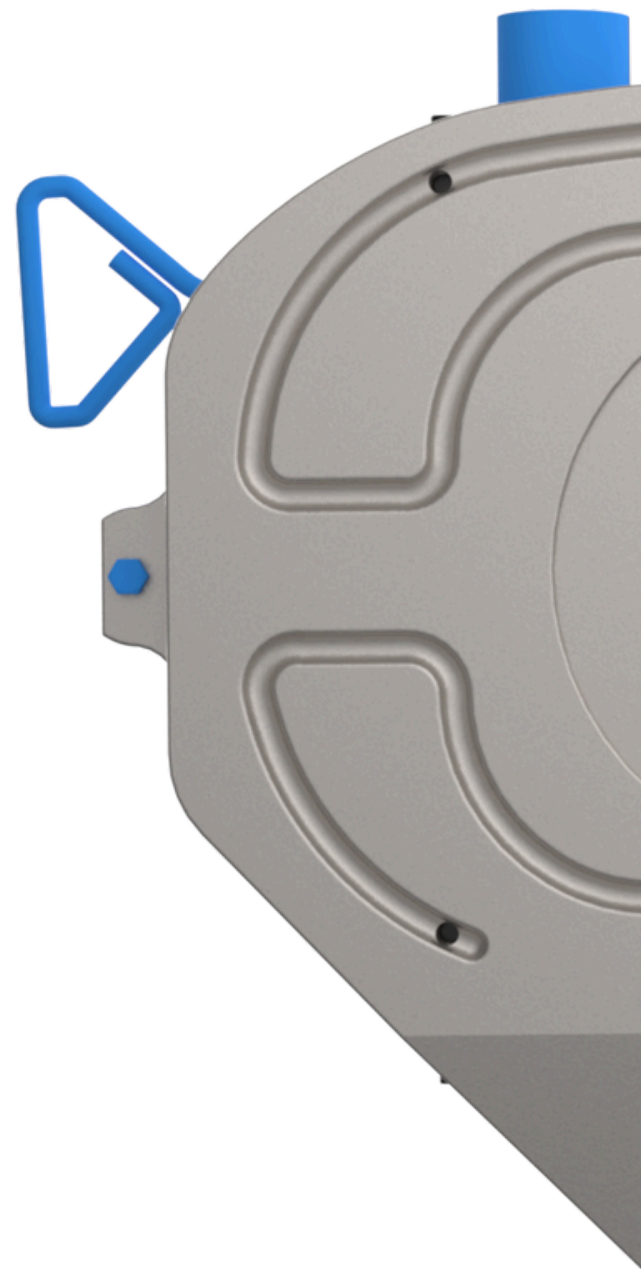

MAXIMUM VERTICAL RATING

150,000 LB

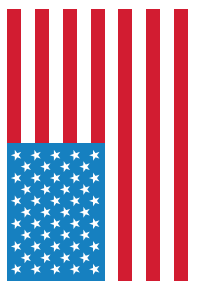

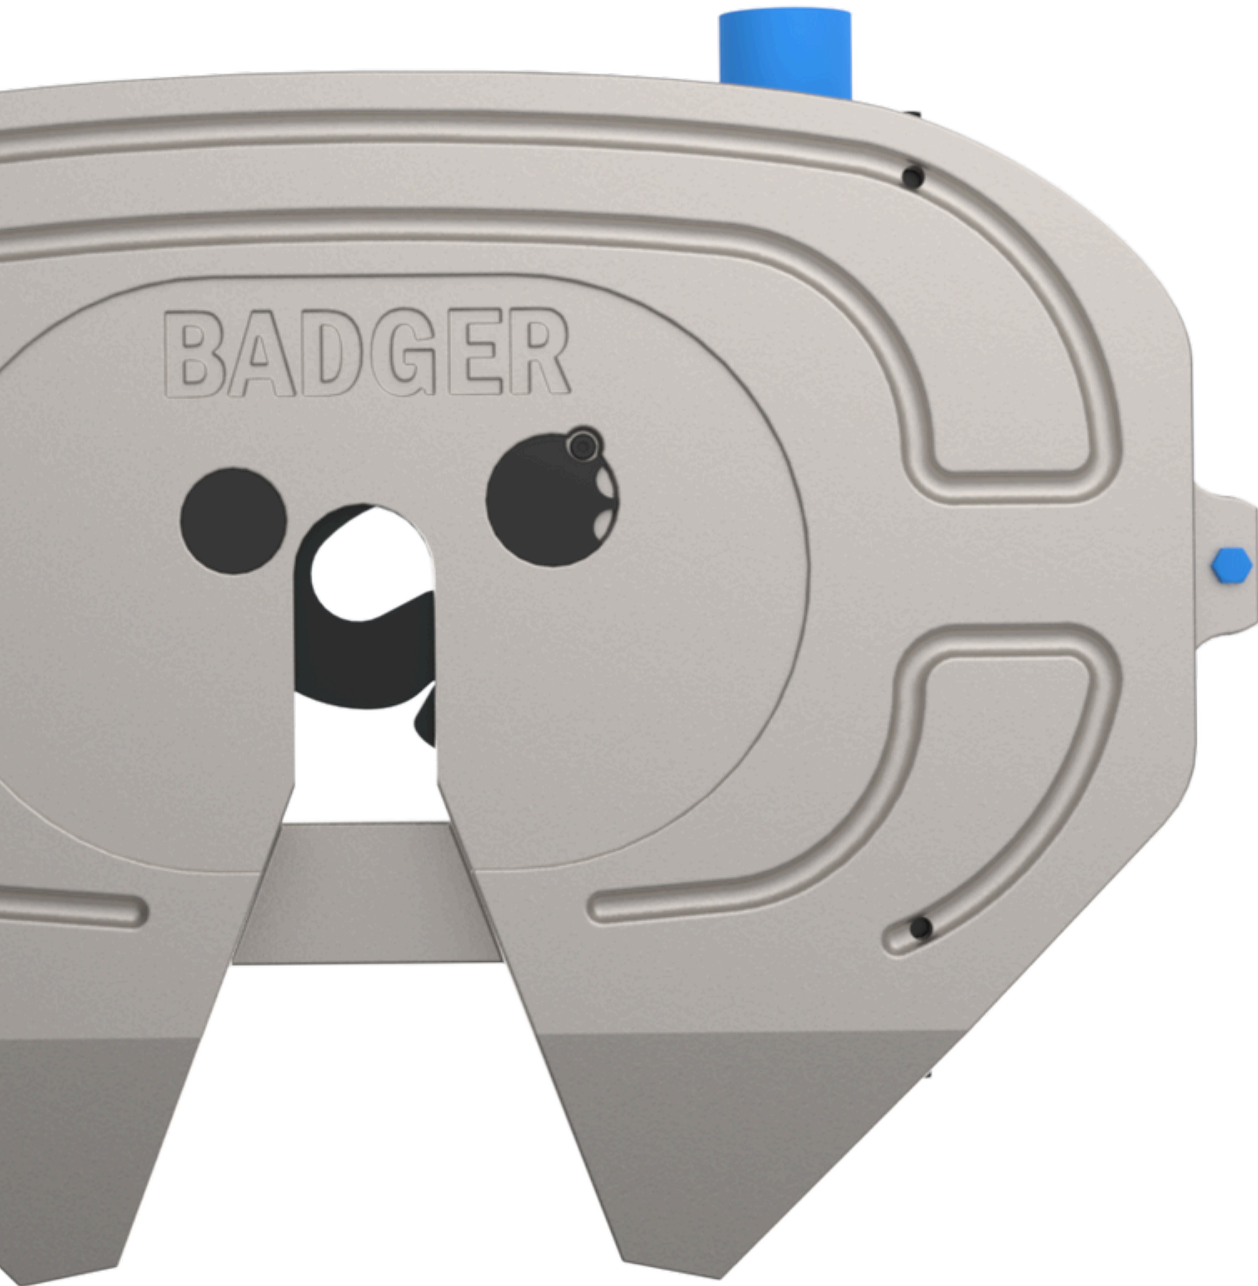

HORIZONTAL PULL RATING

2"

KINGPIN SIZE

INNOVATION. *DRIVEN.*

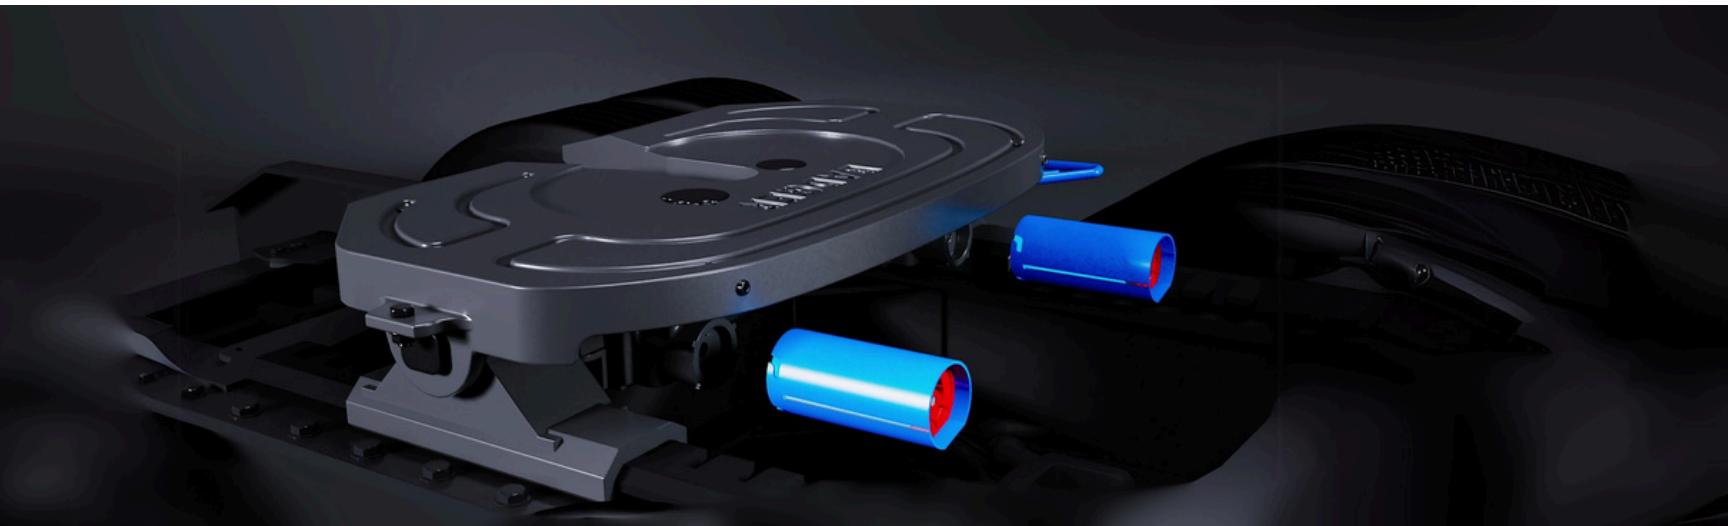

PROUDLY MADE IN USA

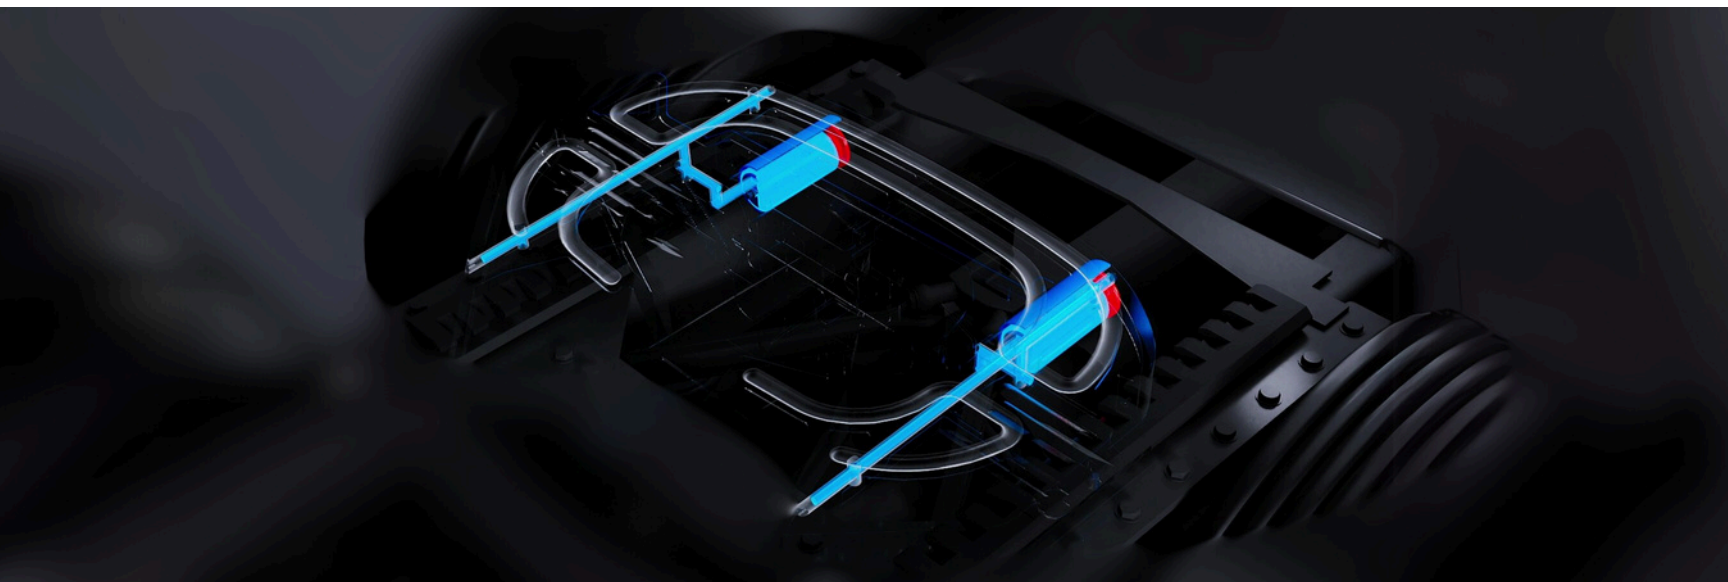

HOW IT WORKS

- Install the twist-lock replaceable grease cartridges.

- By harnessing the kinetic motion of the truck & trailer, grease flows through the integrated channels.

INNOVATION. *DRIVEN.*

- Grease fills the grooves on the top plate of the fifth wheel.

- The red indicator on the twist-lock cartridge lets you know when you're due for a replacement.
